

What should my unit portfolio include?

All the documents showing your work on the specific unit:

- Vocabulary explanations in class
- Grammar explanations in class
- Class activities and homework corrected
- Worksheets of any kind corrected
- Writing practice and its correction
- Speaking test practice

Guidelines

- Include only the materials for the specific unit.
- Be organized and try to present the materials in chronological order.
- You don't have to copy the instructions of the exercises but identify them at least with their page and number.
- Use a different color to correct the activities.
- Be neat and write with your best handwriting.
- Presentation counts: cover, titles, schemes, drawings... Make it as beautiful as you can.
