

6. READING AND WRITING

Personal Description

Maria is 15 years old. She moved to a new country with her family because their home was no longer safe. Maria misses her friends back home but tries to stay positive. Besides, she is quiet but very intelligent. She loves reading books, especially about brave women in different parts of the world. Maria wants to become a doctor one day to help people. She finds it hard to make new friends because some people treat her differently, but she is learning English quickly and hopes to show everyone how kind and talented she is.

Jin is 12 years old and was adopted by a family from a different country when he was a baby. He looks different from his parents and siblings, which sometimes makes him feel special but sometimes lonely. Jin is inquisitive, always asking questions. He loves drawing and painting, often creating pictures of his dreams and memories. Jin is also passionate about learning how to cook dishes from his birth country. He sometimes gets teased at school for his appearance, but Jin is proud of who he is and wants to teach others about his culture.

Amira is 16 years old and wears a headscarf because of her religion. She is quite outgoing and loves meeting new people. Amira is passionate about fashion and enjoys mixing her style with traditional clothing. She is an excellent student and dreams of becoming a lawyer to fight for justice and equity. Amira is very energetic, also she enjoys playing basketball and is on her school team, although she sometimes faces challenges from people who do not understand her culture. She believes in spreading love and acceptance through her positive attitude.

Sara is 17 years old and comes from an indigenous community. She has long, dark hair and loves to wear clothing with traditional patterns and colours. Sara is deeply connected to her culture, she enjoys teaching others about her people's history and beliefs. She is a peaceful, reflective girl who spends a lot of time in nature. Moreover, Sara is an environmental activist, fighting to protect her community's land. At school, she faces stereotypes, but Sara is determined to break them by excelling academically and being an example of strength and intelligence.
